

Dear Asolo Rep Supporters,

In accordance with the latest recommendations from local and state governments regarding the coronavirus (COVID-19), we have cancelled all remaining performances of THE LIFESPAN OF A FACT (originally scheduled through March 19) and INTO THE BREECHES! (originally scheduled through March 21) and the entire run of THE GREAT LEAP (originally scheduled March 18-April 11). Future performance dates for KNOXVILLE, HOOD and SNOW WHITE are being determined.

We do not take this shift in our programming lightly and we understand the significant impact of these decisions for our community – including the extraordinary artists who have created our productions, our tireless staff who continue to support them, and our vibrant community of arts patrons who have made plans and commitments around these performances. We ask for your patience and support during these unprecedented times.

**Now more than ever, your support is critical as we are realizing significant losses due to the unprecedented impact of COVID-19. Transferring your ticket to a donation supports Asolo Rep during these uncertain times and we appreciate your consideration.**

The following options are available for those who have already purchased tickets to canceled performances:

- Donate your ticket and receive a tax deduction for the total ticket value;
- Credit your ticket value towards a future Asolo Rep performance;
- Send your contact information to [boxoffice@asolo.org](mailto:boxoffice@asolo.org) to discuss options.

In the meantime, please bear in mind that our customer service and communications staff is currently experiencing a high volume of inquiries and we thank you in advance for your continued patience and support as we assist our patrons.

Many of you have already called in with cash and/or ticket donations to see us through this challenging time. This is so important as we remain committed to paying our staff and artists. We know not everyone is financially able to lend their support right now, but we are grateful for each and every one of you. Should you wish to make a donation you may do so by clicking here [tickets.asolorep.org/donate/contribute1](https://tickets.asolorep.org/donate/contribute1)

Asolo Rep will continue to monitor government recommendations closely and updates will be communicated via our website, social media and email as it becomes available. The health and safety of our patrons, employees, artists and students are of utmost importance. We are grateful to everyone for working with us to minimize the financial impact on the theatre, our artists and our staff.

We will come back from this stronger than ever as soon as we may safely do so. Take care of yourselves and thank you as always for your support,
