CONVERSATION WITH THE CREATORS

Friday, April 17th online at 4pm

One of the projects we had to hit pause on when we decided to close our doors for the season was *I / mv̄t g̃ic*, a world premiere work with music and lyrics by Stephen Flaherty and Lynn Ahrens and adapted/directed by Asolo Rep Associate Artist Frank Galati. But the good news is that the production will be coming back in the Spring of 2021!

Join Frank, Lynn, and Stephen for a virtual conversation guided by Associate Artistic Director Celine Rosenthal as they discuss the creation process thus far. The virtual audience will be able to ask questions, so make sure you join us on **Friday, April 17th at 4pm**. Tickets can be purchased [here](#):
