What do we give?

The Asolo Repertory Theatre's Graduate Student Sponsor Program provides the opportunity for graduate students and sponsors to establish enriching and rewarding relationships as a part of their experience at the FSU/Asolo Conservatory.

Philanthropic support to Asolo Rep through the Graduate Student Sponsor Program underwrites graduate student stipends, study abroad in London and curated graduate student and sponsor events associated with student work at the Rep and in the production season. Philanthropic donors to the Asolo Rep Student Sponsor Program may choose to be Class Sponsors or London Program Sponsors, receiving the same intrinsic benefits provided by the Conservatory and Asolo Rep listed inside. Higher level donors may be offered additional engagement opportunities.

Falcian Page, Brielle Rivera Headrington, Sharon Pearlman, and Mikhail Roberts (all class of 2024) with sponsor Randell Johnson.

FSU/ASOLO CONSERVATORY FOR ACTOR TRAINING

The FSU/Asolo Conservatory for Actor Training is a three-year graduate program culminating in a Master of Fine Arts degree, recognized as one of the top ten MFA courses in the country. Only twelve students are chosen each year from the thousands who audition nationwide to work in a program that combines rigorous classroom training with guest artist workshops and professional production experience. Upon graduation, all students are eligible to join Actors' Equity Association and enter the ranks of this country's most highly regarded professional artists. Graduates of our program have appeared on and off Broadway, in regional theatres, in feature films and on television.
